THE CHALLENGE

THE SOLVE

I ran out of a key ingredient and can't wait for my supplier to deliver.

Swing by one of our locations, request a **Day Pass**, and grab what you need today!

My truck delivery came up short or damaged and I need replacements fast.

Use a **Day Pass** OR if you are already a Sysco customer, you can use your ShipTo # and address to easily sign up for a membership.

I want to try something new for my menu without committing to a full case.

Go for it! Over 60% of our products are sold in "eaches," so you can experiment without the bulk.

I just need 25 lbs of flour, but my supplier has a \$500 minimum.

Not here! No minimums, ever. Buy exactly what you need.

My employee needs to pick up an order but doesn't have a company card

Easy fix: pre-pay online at sycotogo.com and they can grab it for you.

I just landed a last-minute catering gig and need matching disposables today.

Come on in! Use a **Day Pass** to browse our disposables. We can even open a case so you only buy what you need.

I don't have a membership.

No problem! Our membership is free, always. No obligations, no strings attached. Want to move even faster? Use a **Day Pass** to shop without a membership.

I don't have a tax ID.

Without a sales tax ID, you can still shop with a free membership or a **Day Pass**, but you will have to pay sales tax on relevant items.

I'm not a Sysco customer.

You don't have to be! You can still shop with a free membership or a **Day Pass**.

We're cash flow positive but don't have much credit with our distributor.

We accept cash, credit, or debit with no extra fees.
