

## Conn Creek Winery Re-Opening Operations

The health and safety of our guests and staff remain our number one priority as we re-open Conn Creek Winery to the public on June 25.

We wanted to share with you some details about the guidelines we are following upon re-opening to the public:

- We've temporarily adjusted our hours of operations – we will now be open 10:00am – 4:00pm Thursday through Sunday with reduced occupancy.
- Visitation to our winery is by reservation only:
  - We will accept reservations for our AVA Experience Tasting or Barrel Blending Experience for up to a maximum of six attendees in a socially distanced environment. A clean glass will be provided for each tasting.
  - A credit card will be needed to secure a reservation in advance and guests will be charged the same day as their reservation. No cash will be accepted at this time.
  - If you wish to acquire any of our wines or merchandise, we are accepting contactless payment by credit card or Apple Pay.
- Please be aware face coverings are required on the property except when seated for tastings, or when unable to wear a face covering because of a medical issue or disability.
- Guests not feeling well or displaying symptoms of illness will be asked to return for a future date.
- All winery and tasting spaces will be thoroughly cleaned and disinfected throughout the day followed by additional deep cleaning in off-hours.
- Hand sanitizer, disinfecting wipes, soap and water will be available to employees and customers.

In addition to the above, all winery employees are required to adhere to the strict state-mandated health & safety regulations, which include:

- Daily health screenings when arriving at work - checking for temperature, cough, or shortness of breath.
- Training on proper cleaning, hand washing, distancing etiquette and best hygiene practices.
- Washing hands before entering tasting rooms and regularly throughout shifts.
- Maintaining 6 feet of separation from other individuals when possible.
- Gloves and face masks have been provided to all employees.

Thank you for your willingness to help us keep everyone safe. We look forward to seeing you soon!
