Donation/ Auction Packages

Stag's Leap Wine Cellars, notably known for being the winery that won the Cabernet Sauvignon competition in the famous 1976 Judgment of Paris, was founded in 1970, and is considered a Napa Valley first-growth estate. Our signature style has often been described as "an iron fist in a velvet glove," a reference to the artful balance between ripeness and restraint, softness, and structure, that yields Napa Valley wines of exceptional beauty and long life. Achieving that style requires a level of attention to detail found only among the world's best and most dedicated wine producers.
