

## **Conn Creek Winery Reopening Operations**

The health and safety of our guests and staff remain our number one priority as we reopen Conn Creek Winery to the public.

We wanted to share with you some details about the guidelines we are following upon reopening to the public:

- Visitation to our winery is by reservation only:
  - Each reservation will allow for a maximum of six attendees in a socially distanced environment. A clean glass will be provided for each tasting.
  - A credit card will be needed to secure a reservation in advance and guests will be charged the same day as their reservation. No cash will be accepted at this time.
  - If you wish to acquire any of our wines or merchandise, we are accepting contactless payment by credit card or Apple Pay.
- Please be aware face coverings are required on the property except when seated for tastings, or when unable to wear a face covering because of a medical issue or disability.
- Guests not feeling well or displaying symptoms of illness will be asked to return for a future date.
- All winery and tasting spaces will be thoroughly cleaned and disinfected throughout the day followed by additional deep cleaning in off-hours.
- Hand sanitizer, disinfecting wipes, soap and water will be available to employees and customers.

In addition to the above, all winery employees are required to adhere to the strict state-mandated health & safety regulations, which include:

- Daily health screenings when arriving at work - checking for temperature, cough, or shortness of breath.
- Training on proper cleaning, hand washing, distancing etiquette and best hygiene practices.
- Washing hands before entering tasting rooms and regularly throughout shifts.
- Maintaining 6 feet of separation from other individuals when possible.
- Gloves and face masks have been provided to all employees.

Thank you for your willingness to help us keep everyone safe. We look forward to seeing you soon.
