

## Searching and Purchasing Electronic Block Profiles

Sign into your COL profile as either a Credit Card Corporate Client (which only allows credit card purchases) or as an Approved Vendor (for which the product price is reduced and the products available differ).

From the City Online home page, select the City Online Map Viewer icon (1).

**City Online Map Viewer**  
Use the map to buy digital data and property reports

The map will open in a new window.

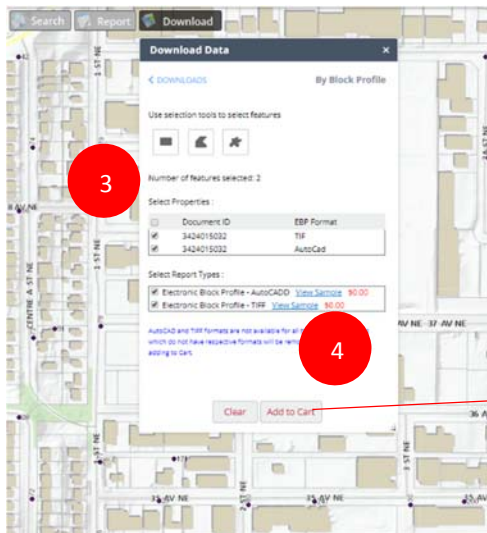

## Select Block Profile

Select Search (1) then enter the block profile number (2) and search (3)

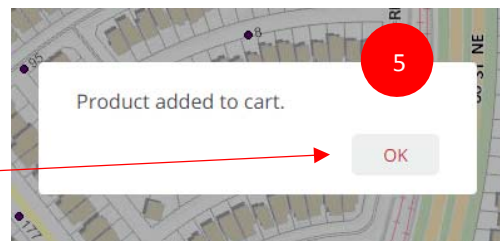

## Purchasing the Block Profile

Once the map has found the block profile, select download (1) and By Block Profile (2)

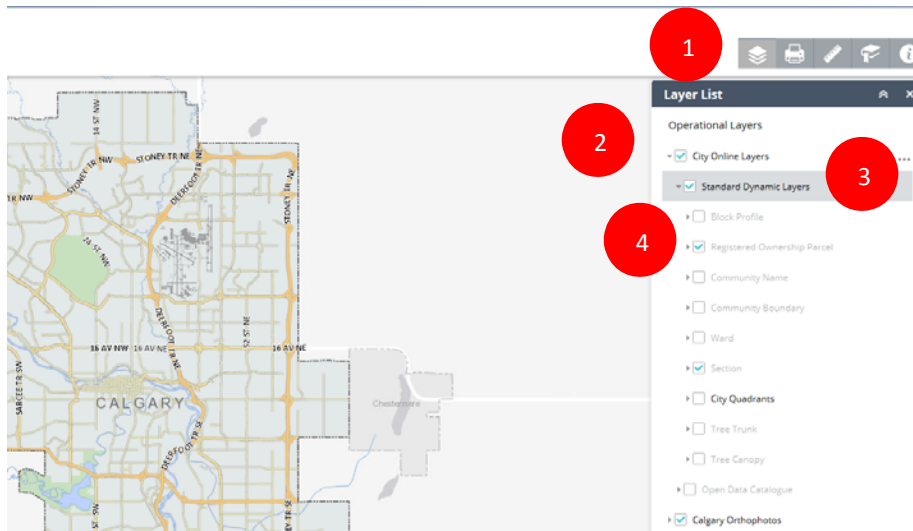

If the profile is available as both TIF and AutoCADD, then both will appear report types (3) to select. Select Add to Cart (4) and Ok (5)

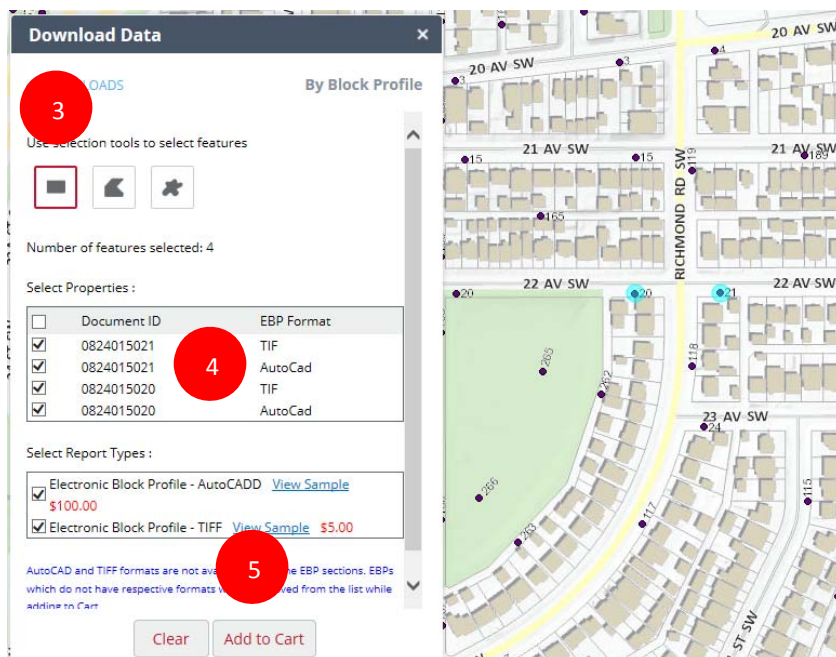

## Selecting Block Profile without profile number

Use the map layers to find the number.

Open the layer list (1), Select City Online Layers (2), Standard Dynamic Layers (3) and the select Block Profile (4)

To enable the layer, zoom into a scale of 1:4500(1), select Download > by block profile (2), then use the selection tool to draw a box around block profiles to add to the cart (3). Uncheck file formats to deselect (4). Add to cart (5).

## Checking out
