

SUPERIOR PILSEN

PARTNERSHIP • TRADITION • PASSION

SUPERIOR PILSEN

Produced from hand-selected lots of premium, Alberta grown Copeland barley and exclusively malted at the Canada Malting Calgary malthouse, this Superior Pilsen is a clean malt, without the grassy, sulphur notes common with European Pilsen malts.

FEATURES

- Low in protein and colour
- High in extract
- Balanced modification

SUGGESTED USE

- Used at 100% this malt creates a clean and crisp pilsner.
- Perfect for any beer calling for a delicate flavour or colour, such as saisons, sours and all hop forward styles.
- Popular with distillers for gin and whiskey production.

STORAGE AND SHELF LIFE

- Store in cool, dry conditions, away from pests and odours
- 2 years from date of manufacture

AVAILABLE PACKAGING

- 25 kg bag, custom tote up to 1 mt
- Bulk volume: trailer, railcar, vessel, lined containers
