# EURO-PILS MALT

Canada Malting's Euro-Pils is a malt made from the finest overseas low protein barley available. Malted at our historic maltings in Montréal, Québec, Canada, and utilizing our traditional Saladin style germination and kilning beds, this malt exudes traditional European Pilsner malt character. Wonderful biscuity notes accent the subtle grassy undertones that make this malt perfectly suited for all of your finest brews.

## FEATURES

- Low in protein
- High in extract
- European Pilsner modification

## SUGGESTED USE

- Suitable for use at up to 100% of grist bill
