Reg # 450

Pro-Cert Organic Systems Ltd. hereby certifies that the above operation is certified to the **USDA organic regulations, 7 CFR Part 205**. This certification is based on the evaluation of: (i) an application containing the organic production plan, (ii) the results of an inspection of the operation, (iii) production records and (iv) such tests or other information deemed essential by the certifying agent. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended, or revoked by Pro-Cert Organic Systems Ltd., a state organic program official or the NOP Administrator. Continuation of the certification requires an annual update of the organic production/handling plan, inspection (within the first 6 months following the anniversary date) and evaluation by Pro-Cert.
