## Craft Base Malt

As part of a global family of brands, Canada Malting Co., Great Western Malting, and Country Malt Group all share the same values of diversity, equity and inclusion. With one foot in the farming community and the other placed firmly in the craft beverage industry, we're passionate about empowering women and non-binary individuals across the supply chain; from the barley fields to our malthouses, and from our distribution centers to the taprooms.

The Pink Boots Malt was born from the idea to involve more members of the industry in our efforts to uplift women and non-binary colleagues, as malt is a core ingredient for both brewers and distillers. With each bag purchased, a donation is made to the Pink Boots Society scholarship fund to support their mission: to assist, inspire and encourage women and non-binary individuals in the fermented/ alcoholic beverage industry.
